

Regulations for the customary enrolment in the Master in Nanoscience Program at the University of the Basque Country

Required DOCUMENTS:

- * A letter stating the agreement of the supervisor with the list of courses selected.
- * Copy of the identity card or passport
- * One card size photograph
- * Attested copy, or copy and the original document to be compared with, of the Diploma certifying the Degree obtained, or alternatively the corresponding application receipt. If the Degree is from a non-EU country, and it's not authorized, it must be legalized by the Spanish Embassy in the own country.
- * Documents supporting the reduction or exemption of the registration's fees when applicable.

All the documents in languages different from Spanish or Basque have to be officially translated.

The particular dates (most likely during second half of September) for the definitive registration as student will be published here when announced by the University.
