

SCHOLARSHIPS

Scholarships from the University of the Basque Country: Deadline July 10th.

The amount is 3.000€/year for students with residence in the Community of the Basque Country, and 4.500€/year for students from other communities or from other countries.

REQUIREMENTS:

- Pre-registration in the Master's Nanoscience with the required Degree.

Required DOCUMENTS:

- Application form (document "1").
- Copy of identity card or passport.
- Copy of personal University academic transcript with marks.
- Copy of the diploma certifying the Degree obtained.
- Scientific articles and other works published by the student.

EVALUATION:

Up to 70 points: Academic Record

- Up to 30 points: Scientific articles and other works published by the student and other merits.

To obtain the scholarship, the student must eventually get registered and have to submit the following documents:

- A formal statement accepting the scholarship and the conditions and obligations showed in the call (document "A").
- A honor statement certifying that he/she is not being subject to any incompatibility by the acceptance of the scholarship (document "B").
- Bank information: bank name, branch office, and account number, with a copy of the ID card or Passport of the account holder.

INCOMPATIBILITIES:

- With any other scholarship requiring time dedication.
- With any additional salary.

Recipients of the scholarship must follow the complete academic course. 50% of the scholarship will have to be returned back if this requirement is not fulfilled.

Scholarship can be LOST in the following cases:

- Renounce (document "E").
- Cancellation because some conditions and/or obligations are not fulfilled.
- Late incompatibility.
